it is really sad to make the reservations weeks in advance for Valentine's Day and have to wait 2 hours before the main course arrived. with a prefix menu you would expect that management knows its mass load and is ready to use. we had 30 minutes waiting period between each curs after the table was deleted. we held it out, paid our bill and even left a decent tipp. but we will never return. In case you're hungry some **fiery South American cuisine**, you're in the right place: exquisite dishes, prepared with **fish, seafood, and meat**, but also corn, beans, and potatoes are on the menu, In the morning they serve a *tasty breakfast* here. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink, The customers of the establishment also appreciate the extensive selection of various coffee and tea specialities that the restaurant has to offer.
