Been ordering from here for over 5 years ! Closest to NY style Chinese takeout I've found in Charlotte, also the cheapest. Pay 1\$ for a drink, extra sauce is only 25, it doesn't get cheaper than that, lol ! Food is authentic and not expensive ! **[read more](#)**. What **User** doesn't like about Golden Gate Chinese Fast Food:

The worst shrimp egg I've ever had. it and my rice had absolutely no taste and literally had the size of the green fruit! I still had to season. I have never used salad garnel in Chinese cuisine in my whole life! and they give you only 2 patties. that was a waste of \$10. I also had a headache 20 minutes after eating. I will never go back! Don't waste your time and your money! **[read more](#)**.
