[Jillian M](#) likes about The Fireside:

Tom's and the Fireside have been around for years and they are always a great place to take guests. There is something on the menu for everyone. The food is made with love and the atmosphere is cozy and inviting! [read more](#). What [Elisabeth McKenzie](#) doesn't like about The Fireside:

I used to visit the Fireside in the old location and the dishes/drinks were always great. Since the transition to the new location, it seems that the service is much slower and the food was subpar. I ordered a Portabello

Mushroom Burger who was weirdly small. It should come with beets and sweet potatoes and I have sweet potatoes. The burger tasted good, but the part was too small, not worth what I paid. The beverage... [read more](#).

As a customer, you can use the WLAN of the restaurant free of charge, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. If the weather are right, you can also be served outside. If you're in a hurry and need something quick, you can get tasty *Fast-Food dishes to your taste* from The Fireside in Halifax, prepared for you in few minutes, this **sports bar** is a favourite among the guests, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games or races on the big TV. Of course, we must not forget the extensive diversity of coffee and tea specialties in this restaurant, It shows that the traditional Canadian dishes are well received by the guests of the local.
