Got the wrong order, they offered to replace it, however it took so long to get it the first time we were okay with the order. The waitress tried too hard and she became irritating. I had not been to Milestones in a couple of years and really liked it. The menu is not as interesting as it used to be and the hamburgers are not great. [read more](#).

I was very excited for the pasta dish with lobster in it to be told they were out of lobster. Their solution was they would add more shrimp. Okay sure I went with that. So I didn't see any more shrimp unless the original dish had just a few pieces. Total rip off. I paid for a lobster dish and didn't get it. Really disappointed about that. Do better as I don't think I will return. [read more](#).
