What a disappointment! We came upon this place walking in Basalt. I wish I checked the reviews before going in. It took 10 minutes to get the menu and almost an hour to get our food. I had to send back my food because the salmon was still pretty raw, so more waiting. Don't waste your time here. Food: 1 Service: 3 Atmosphere: 3 [read more](#). When the weather is pleasant you can also eat outside, And into the accessible spaces also come clientele with wheelchairs or physical limitations. If you want to a cocktail after work and sit with friends or alone, Cafe Bernard from BASALT is a good bar, Also, of course, the environment has a big influence, which is why the customers appreciate not only the fine menus, but also **the bistro** itself appreciate. Besides simple snacks and sweet pieces, we also offer **cold and hot drinks** and cakes, Also, the guests of the restaurant love the large selection of various *coffee and tea specialities* that the establishment has to offer.
