The WFPB meals are delicious. The portion sizes are generous. Plenty of protein in each entree (i.e., black beans, nuts, seeds, etc) A vegan bread/toast is available and delicious. (The GF bread/toast is not vegan). Vegan margarine is also used. The vegan menu page/entrees were added in 2013. Unfortunately, they have since added animal options to the page. This place has a dedicated (mainly) vegan menu. I love their oatmeal and they are generous with the toppings! I've also had their spinach salad with added black beans and felt satisfied after. I'm wanting to try their vegan burger sounds tasty. Overall, for Redmond, I'm happy this place is trying. [read more](#).
