We went here for lunch. A 2oz Marilyn Monroe will set you back \$13 but boy are they good! I had the butter chicken with rice and naan. Good sized serving for \$20. My FIL had a perfectly cooked steak meal and MIL had the...fish and chips which she said was very good. \$112 for 3 for lunch is awfully steep so go prepared! [read more](#). What [Ana Ferry](#) doesn't like about Earls Kitchen + Bar - Sherwood Park:

The food was excellent but a little pricey for the portions received. The service was a challenge because the server did not speak/understand English very well. When asked about corkage fees we were told \$55... So we went with the house Shiraz (Copper Moon) and that was \$55 for a bottle of wine that is retailed for about \$7... So all in all good food, WAY over priced! [read more](#). In nice weather you can even eat and drink in the outdoor area, And into the accessible spaces also come guests with wheelchairs or physiological limitations. Earls Kitchen + Bar - Sherwood Park from Sherwood is respected for its **mouth-watering burgers**, to which spicy fries, salads and other sides are provided, In addition, the charming desserts of the establishment shine not only on children's plates or in the eyes of the little guests. Furthermore, you can order fresh **prepared barbecue**, At the bar, you can relax with a cool beer or other alcoholic and non-alcoholic drinks.
