3 stars because the customer service was outstanding. The salads tho..... let's not do that again. We tried two different salads and neither one was worth its price. When the weather is good you can also eat outside, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. WiFi is available for free. A visit to Revival Eastside Eatery becomes even more rewarding due to the comprehensive diversity of coffee and tea specialties, Customers can enjoy the dishes from establishment through a *catering service* on-site or at the event.
