I've been here before and the food has been good but today it was so delicious. I had the Roadhouse burger with tots. So yummy. Our waitress was so friendly and informed us of all the daily specials. About a dozen TVs, so would be an excellent place for the avid sports fan. Definitely returning!! [read more](#). What [B A](#) doesn't like about Charcoal Grill Rotisserie:

3rd time here and each time was less than great. Figured we'd give it an honest chance, but this was the last time. Waited 30 min for a table when we were told 15, I know everywhere is busy and short staffed, I get it. Ordered and waited 45 minutes for 3 meals. Again, short staffed, somewhat understandable, but 45 minutes is a little excessive. Our son got the wrong sandwich which a new one was made and we were comped, wife's quarter of a chicken dinner was pitiful and there was more skin and bones than meat. My medium burger had zero pink and was very dry. We noticed 3 other tables returned food as well, so we weren't the only ones with issues. We are by far picky or snobby at restaurants, but tonight was sub-par at best. For the small hunger in between, Charcoal Grill Rotisserie from West Bend offers **tasty sandwiches, small salads, and other small dishes**, as well as cold and hot beverages, and you can enjoy here scrumptious American meals like Burger or Barbecue. If you want to have breakfast, a tasty brunch awaits you, Here, the *barbecued food* is freshly prepared on an open flame.
