Wow, we walked in expecting a diner and found an experience. The found was delicious! One of the best steaks I've had in a restaurant. It was perfectly seasoned and cooked to perfection. My wife and daughter also really enjoyed the grilled chicken cesar salad and pizza. The service was outstanding. We plan on visiting Earl's again when we come back to Vancouver in the summer! Its a good regular chain restaurant, nice atmosphere, Unfortunately, the coffee is possibly the worst in town, its their own special blend and its the same at all Earls. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and be served. If you're craving for some fiery South American culinary arts, this is the place to be: exquisite dishes, prepared with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, The original Canadian menus are well received by the guests of the restaurant. There are also fine American dishes, for example, burgers and grilled meat, The **meat** is freshly *cooked* here on an open flame.
