1st time visit, recommendation from the hotel manager. Margarita was on the rocks, delicious! The special was the #22 plate, Cheese Enchilada and Beef Crispy Taco, rice, beans, lettuce and tomato side for the taco; delicious! The enchilada sauce was quite tasty, mild and thick; delicious! I will be pleased to return for all my dining out during the duration of my two week training! I cleaned my plate. What [User](#) doesn't like about Taqueria Chapala:
