Incredible meal! We came in late for a special dinner and, when they brought me an incorrect main course (it was loud and packed, totally happens), they were incredibly kind and quick to make it right, and brought us delicious chocolate layer cake on the house! Wonderful restaurant we'll be back!! [read more](#). What [Eden Feil](#) doesn't like about Wolfgang Puck Bar & Grill:

The waiter was an idiot, tried to sell everything and was rude and slow to bring everything we asked for. The food was mediocre at best, the sauces were over the top and the tortillas tasted stale. Wouldn't recommend! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical disabilities,

Depending on the weather, you can also sit outside and have something. Wolfgang Puck Bar & Grill from Paradise is a suitable bar to **have a beer after work**, and hang out with friends, and you can try fine American menus like [Burger or Barbecue](#). In addition, you can order fresh prepared grill goods, the visitors love having the chance to watch the latest games or races on the big TV in this *sports bar*, while also enjoying food and drinks.
