Here you can find the [menu](#) of **Cock of the Walk** in Nashville. At the moment, there are **31** meals and drinks on the menu. An online magazine article reviewing a restaurant mentions a variety of perspectives on the establishment. The catfish is highlighted as a standout dish, while the fries and hush puppies receive mixed reviews. The overall ambiance is described as old-fashioned, attracting an older crowd. While some diners had a pleasant experience with dishes like fried pickles, catfish, and shrimp, others noted limitations in the menu selection. Positive remarks are made about the service, including accommodating a large group and the friendly and attentive staff. The rustic atmosphere, delicious food, and generous portions are praised, with special mention of the excellent chicken strips. Despite the limited menu options, patrons found the prices reasonable and enjoyed the overall dining experience, making it a must-visit spot in the Nashville area.
