so excited to share. my second time, eat here. I make a low carb, so I chose the fishfajita dish without rice and drilling. it was so delicious! 2 species salsa comes with the chips. the one is super sharp and the other is mild. many different dishes here that they cannot get in regular Mexican restaurants. super packed on Sunday night. go early and enjoy them! [read more](#). What [User](#) doesn't like about Pedro's Mexican Grill And Cantina: We were charged \$7 for one small veggie taco and another \$7 for a small, poor quality fish taco. Would definitely skip this spot if you are in the mood for good food. [read more](#). Look forward to the *diverse, fine Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers).
