I would like to thank the owner, Sam, for the best butter chicken dish I have had in quite some time. The service was warm and friendly and they are striving to be your local "gotta go there!" Location. You just know when an owner...value his clients and that's what you will experience here. Prices are fair and the value is obvious. I look forward to my next visit! [read more](#). What [Yasmin West](#) doesn't like about Ric's Lounge & Grill - Northeast Calgary:

ric's no longer exists. eating was decent, but it was nothing like what is listed on the linked menu. if you're looking for steak and doing it with pasta, it's a bit disappointing. everyone was very nice, but it was very chaotic. the only reason I say that I would not recommend it is because it is now an Italian restaurant, not a steakhouse. If you're looking for italics, you'll be okay! [read more](#). The restaurant offers free WiFi for its visitors, And into the accessible spaces also come guests with wheelchairs or physical limitations. If the weather conditions are right, you can also eat and drink outside.
