What [Rahsaan Haag](#) likes about Lucky Dragon: I love the food, and I liked the staff. My only complaint is: The last two times I had to get orders from there, I was missing something. I live 15 minutes away when I first came back and picked up what I was missing. For the second time I lacked noodles, so I had to do something at home because I didn't want to drive extra 30 minutes to get there and back. Please check your orders before leaving the building! Lucky Dragon from [Ocean Shores](#) is a suitable bar to have a beer after work, and hang out with friends, The creative fusion of different dishes with fresh and occasionally daring ingredients is highly valued by the visitors - a good example of Asian Fusion. The dishes are prepared according to typical Asian style, The barbecue is freshly *cooked* here on an open flame.
