Our server was not attentive for the lack of guests in the restaurant. We had to go to the bar each time we wanted a drink, she wouldn't serve us at the table very often and we couldn't find her. There were several staff standing around gossiping, on their phones, etc. and when we approached them for service, they acted bothered. Cool concept for a restaurant/experience but the staff were less than enthusiastic. [read more](#). What

[User](#) doesn't like about No Other Pub:

We had reservations at 6pm for a standard table. When we got there they told us all they had was high tops. We then had to put two menus under the table to get it level. Waited almost an hour for food which was dry and bland. Servers were not happy to be there at all. [read more](#).
