I enjoyed the food and met the regulars. But I'm disappointed with the portion size for the queso and stew. \$5.00 for this size of bowl for queso. It's like a child's part. Paid \$10 for a large bowl looked like a children's size small bowl. I was in other places and they give you a big one for the same amount. I like the place, but I probably won't spend much money there again. [read more](#). It's definitely always an event to be in a typical saloon and to eat; to feel like a cowboy for once with a chilled drink and also the **finger food like crispy fries, onion rings or a delicious burger**, Particularly, many guests are looking forward to the diverse, delicious [Mexican](#) cuisine. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, Furthermore, the drinks menu in this restaurant is impressive and offers a good and comprehensive selection of beers from the area and from worldwide, which are definitely worth a try.
