4 of us went to a late lunch during the Sunday buffet, the food was abundant with a great variety to please everyone. The price was decent because we had to pick up so much. The one thing was that probably due to personnel problems, plates were stacked and not deleted and drinks were not refilled in time. The buffet was clean and consistently filled. Would return safely!. The extensive variety of *coffee and tea specialties* greatly enhances the value of a visit to Western Sizzlin, The atmosphere also makes the tasting of typical Western dishes and drinks an unforgettable experience. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink, Moreover, the menu of this gastropub offers a good and especially large selection of beers from the region and the world that are definitely worth a try.
