Here you can find the menu of The Theater Buffet in New York. At the moment, there are 147 meals and drinks on the card. You can inquire about *changing offers* via phone. What [User](#) doesn't like about The Theater Buffet: Far too expensive for the options that were available. Not easily kidfriendly. At a buffet I would have expected more attention when a tip was expected. Our dirty dishes sat on the table even as we were into our next course, the incorrect drinks were brought, and we had to wait for our bill after asking for it [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities. The Theater Buffet from New York is a good option for a bar if you want to have **a drink after work** and hang out with friends, and you can look forward to traditional Italian cuisine with classics like pizza and pasta. Of course, we must not forget the large diversity of coffee and tea specialties in this restaurant, There are also some **international meals** available on the menu.
