[Luz Runolfsson](#) doesn't like about RAYA at The Ritz-Carlton, Laguna Niguel:

Average food at best. Small portions, high prices, not great quality. Party of 8 for dinner and service was good. The steaks were not of good quality (both had gristle) and one had to be sent back because it was overcooked.

The scallops were good, but 4 scallops with nothing else on the plate for \$55 is a crime. The small plates are small. Barely enough for an appetizer for one person. We won't be back. [read more](#). The restaurant offers free
