If you're hungry some *spicy South American gastronomy*, you're in the right place: delicious menus, made with fish, sea creatures, and meat, but also **corn, beans, and potatoes** are on the menu. Also, the guests of the establishment love the comprehensive selection of differing coffee and tea specialities that the restaurant has to offer. Moreover, there are tasty American meals, such as **burgers and grilled meat**, in the morning a hearty brunch is offered here.
