For [changing offers](#), please get in touch via phone or use the contact details provided on the website. What [Olaf Szymański](#) likes about Cafe One - Sheraton Vancouver Wall Centre:

We enjoyed great service and a nice setting at Bar One. We had some nice BC Okanagan Red Wine with our flatbread which was quite tasty. The place was pretty full during our time there and the two ladies tending bar and the tables did...a great job. An enjoyable experience. [read more](#). What [Karolann Doyle](#) doesn't like about Cafe

One - Sheraton Vancouver Wall Centre:

Overpriced for poor quality food. Meat was watery dry, dumpings were bland. Waited 15-20 minutes for a new drink after my glass was empty. Restaurant was not busy but service was very slow. Not a good experience. Do not recommend. [read more](#). In nice weather you can even eat and drink in the outdoor area, and there is free

WiFi. The rooms on site are accessible, and therefore no problem for customers with wheelchairs or physiological disabilities. Want to spice up your eating and drinking routine? Come to this **sports bar** and enjoy a variety of small snacks and dishes while watching live football, tennis or Formula 1 games, because just eating and drinking is too boring!, In the morning a versatile brunch is offered here. In this restaurant there is also an comprehensive selection of coffee and tea specialties not to forget, and you can indulge in scrumptious American dishes like Burger or Barbecue.
