The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities, and there is free WLAN. If the weather conditions are right, you can also be served outside. What [Laurine Grimes](#) doesn't like about Town:

At the bar, you can relax with a freshly tapped beer or other alcoholic and non-alcoholic drinks. The experience of various sports events is also a big draw, when you are in this **sports bar**, Here, the barbecue is freshly *grilled* on an open flame.
