Original drinks are off the hook. And the hostess and other girls very nice. Sam was waiting for us and we couldn't have asked for a better waiter. He was informed about the place, the food, the drinks, etc. Appreciate that. [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather.

What [Agustina Alva](#) doesn't like about Topsy Parson:

Chose this place after reading reviews online... the place is very nice, service was good but the food was just ok...the food sounds great on the menu but we had burnt food, undercooked chicken and cold stuff as well. I wouldn't necessarily recommend this place to friends. [read more](#). If you want to a beer after work and hang out with friends, Topsy Parson from New York is a good bar, The guests of the restaurant also consider the comprehensive selection of various coffee and tea specialities that the establishment offers. *Dishes are usually prepared in a short time for you* and brought to the table, Especially, many guests are looking forward to the diverse, fine Mexican cuisine.
