The restaurant from Lomita offers 204 different meals and drinks on [the menu](#) at an average \$9.4. What [Elbert Lesch](#) likes about Yanagi Bistro:

Always come here if my children don't know what to eat, as they have a variety of Japanese dishes to choose from. My sons love their Kake udon, Onigiri, Curryreis, Tempura and karei no nitsuke. Your fish selection is always fresh. [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [Beau Mraz](#) doesn't like about Yanagi Bistro:

Food was delish! [Sushi](#) was creative! Service was excellent. There was a drink guy yakking loudly and excessively for quite some time, but it was nice and quiet once he left. [read more](#). Yanagi Bistro from Lomita is a good option for a bar if you want to have **a drink after work** and hang out with friends, The creative fusion of different dishes with fresh and occasionally daring products is highly valued by the visitors - a nice example of Asian Fusion. The *menus are prepared typically Asian*, Additionally, of course, the environment plays a big role, so the guests appreciate not only the delicious meals, but also **the bistro** itself appreciate.
