The restaurant from New York offers 215 different meals and drinks on the menu at an average \$34.8. What [OpenTable Diner](#) likes about Wassail:

High quality food at a very reasonable price. Highlights include the weisswurst, the black rice, the duck, and the steak for 2. Exceptional cider list with ~12 on draft and ~50 by the bottle. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and be served. What [globalcitizen](#) doesn't like about Wassail:

Good stuff is the brussels sprouts with honey. Stupid is the absence of cola drinks as mixers for basic drinks and cocktails. Lots of cider and beer choices. In general terms, I found the choices in this place too limited for a friends get-together. [read more](#). You can at Wassail from New York try delicious vegetarian dishes, in which no animal meat or fish was brought into play, and you have the opportunity to try fine American meals like **Burger or Barbecue**. In addition, you can order fresh roasted meat, There are also scrumptious **South American** menus on the menu.
