We haven't ordered from here for quite a while because the last time we ordered the customer service was lacking and food wasn't great. I received a email for a special buy a entree with a drink and get a free entree so we thought we'd give it another chance. . We ordered on the app and it wouldn't let you place the order without leaving a tip (I would rather tip in person) and then when we picked up our food they di... [read more](#).
