Love Love Love. Don't let the odd appearance fool you the food is so fresh and so tasty. I usually default to Pad Thai when I eat Thai but I made it a point to try something new. Wife and I split the Drunken Noodle and the Kow Sou and they were awesome! Great tastes, very simple, vey fresh and a ton of food. I was totally happy with the amount of food I got for the price! Great spot! Can't wait to go back. [read more](#).
