The dinner was very good, although it needed a little extra soy sauce. The server was alright. Not the most attentive throughout the meal. The atmosphere was fun as we sat by a table by the window. [read more](#). What [Bethie](#) doesn't like about Swig:

I wish the atmosphere was better. Just too stark . Why not have a candle light on each table- fake or real? Above all the bathrooms were substandard and dark. . One stall didn't even work. Very small area at the sink. It made me feel I was in a substandard restaurant. Service was great and the food very good but not excellent. [read more](#). If you want to a cocktail after work and sit with friends or alone, Swig from Milwaukee is a good bar, and you can enjoy here scrumptious American meals like **Burger or Barbecue**. Viewing various sports games and matches is equally one of the best parts when visiting this sports bar, Also, the guests of the establishment love the comprehensive selection of various coffee and tea specialities that the establishment has to offer.
