Get excited about the *diverse, fine Mexican cuisine*, which is traditionally cooked with corn, beans and chilies (hot peppers), Furthermore, the visitors of the establishment enjoy the comprehensive variety of the differing coffee and tea specialities that the restaurant has available. In addition, you can expect original **Italian cuisine** with delicious classics like [pizza](#) and pasta, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try.
