On this website, you can find the [complete menu](#) of Nota Bene from Toronto. Currently, there are 352 courses and drinks available. For **changing offers**, please contact the restaurant owner directly. You can also contact them through their website. What [بیا طلفاح](#) likes about Nota Bene:

Stylish, modern restaurant with a fresh take on locally sourced ingredients. If the crispy duck salad is in the menu it's a must order. One of the best dishes I've eaten all year. Another is Crispy pig cheek, need I say more. Worth a try. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather, And into the accessible rooms also come guests with wheelchairs or physical limitations. What [Abigail Ziemann](#) doesn't like about Nota Bene:

whoa. Yellowtail tasted way too "fishy" and the so-called pastrami shortribs were greasy pastrami. Both were \$ 30. Robbery. We gave our feedback to the bartender (we were sitting at the bar) and he made no effort to "get it right". I will not be back. The dining room was nice ... parking was awful in the neighborhood. [read more](#). To consume and for a moment to have the feeling of being in an iconic American Hollywood production; that's not at all unusual in this lovingly equipped diner, and you can indulge in fine American dishes like Burger or Barbecue. Of course, we must not forget the extensive selection of **coffee and tea specialties** in this locale, In addition, the current games or races can be watched on the big TV in this sports bar, which the visitors also love.
