The Card of Proof Miami from Miami contains about 75 different dishes and drinks. On average, you pay for a dish / drink about \$13.6. What [Roberto Kemmer](#) likes about Proof Miami:

The unbeatable meat at exactly the right time, the very good toppings and the excellent service, expensive, but it's worth it, you just have to be careful with the recommendations, because if you ask for everything they offer, the account increases considerably [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather. What [Kay Mohr](#) doesn't like about Proof Miami:

The food was disgusting, we returned 6 out of 7 appetizers that were served to us. The poor quality meat is poorly cooked and has a bad taste. They calculated every last cent of the bill. Shame should give them the lousy customer service and the lousy quality of the food with the years they have on the market !!!!! I will never return and I would not recommend it to my worst enemy. Expensive and lousy in every way [read more](#). It's certainly always an experience to be in a **typical saloon** and to eat; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a delicious burger, You shouldn't miss the opportunity to try the crispy and crunchy [pizza](#), baked fresh in an original manner. You can also look forward to tasty [vegetarian](#) cuisine, and you can expect original *Italian cuisine* with classics like [pizza](#) and pasta.
