What [Noemy Hayes](#) likes about Portland Variety: food service are excellent! menu is small, but well thought out. Indoor food is quite loud, not the best place for eating and entertainment if they don't like to scream with each other [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and eat and drink. What [Kellie Ledner](#) doesn't like about Portland Variety:

Took us over one hour to receive our drinks. We had a reservation at 7:30 and did not get out of there until 11PM. All our food and drink came at different times and they forgot about one full meal, without any apologies. The service was terrible and we couldn't hear the person sitting next to us due to the loud volume of the music. Would not recommend! [read more](#). The restaurant spoils you with a little bit of this and a little bit of that with their appreciated **Tapas**, Particularly the extraordinary combinations of various ingredients offer the guests an unforgettable taste experience of this successful fusion cuisine. You can just get one of the tasty **sandwiches**, a healthy salad or another snack, if you're not that ravenous, There are also fresh breads and snacks, complemented by a variety of both cold and hot drinks.
