The place from New York City offers **281** different meals and drinks on the menu at an average price of \$123.6.

What [John O'Reilly](#) likes about Park Avenue Wine Dinner:

It was morel season and we had the chicken with morel sauce. Delicious. Forester Soup was also very good, but the salad that others ordered looked pretty great. Next time! Our staff was competent, pleasant and attentive.

Thank you so much! [read more](#). What [Tyrese Kunze](#) doesn't like about Park Avenue Wine Dinner:

The place is really nice and feels like enjoying a serious adult place for dinner. Unfortunately, our entrees arrived cold and had to be sent back. But someone came here to apologize. I thought the food was good, but not as good as I expected. The dessert was great. The service was not great either. It took too long until our server showed up and maybe it had a bad day, but it gave the impression of total uninterest. [read more](#). Park Avenue Wine Dinner from New York City is a good option for a bar if you want to have a cocktail after work and sit with friends or alone, Likewise, the customers of the establishment prefer the comprehensive variety of differing coffee and tea specialities that the restaurant provides. In addition to sweet pieces, cakes, and simple snacks, we also have *cold and hot drinks*, You can also discover scrumptious **South American** dishes in the menu.
