If the weather conditions are right, you can also eat outside. What [Mabelle Ward](#) doesn't like about Milestones Grill + Bar - Dixon:

Terrible service. The waitress was lost and it took a lot of time to order the food. We ordered the coconut catamari as starter, but they brought it AFTER the main course. I ordered a mid rare steak, but, despite of waiting a long time, it ironically came well done. The waiter did not charge for the calamari but my family and I will NEVER return to Milestones, what a waste of time and money. [read more](#).
