First time visit, went for burger week. Burger was thick, juicy and really had a good taste. The atmosphere was very laid back. This restaurant is going to be around for a long time, we are definitely going back. [read more](#).

What [Весела Дукић](#) doesn't like about Red Light Kitchen:

Food was okay, every dish lacked salt or other seasoning. The shrimp in the pasta was rubbery. Service was horrible. Server didn't bother to tell us the specials which would have changed our selection. The menu on the website was outdated, so the items we saw on the website were unavailable. Server had a hard time even keeping our water glasses full. He was polite and the staff were friendly but otherwise lacking. [read more](#). Red Light Kitchen from Lexington is a chilled café, where you can enjoy a snack or cake with a hot coffee or a sweet chocolate. Likewise, the customers of the restaurant prefer the extensive selection of differing coffee and tea specialities that the establishment provides. Furthermore, you'll find tasty American menus, like for instance **burgers and grilled meat** on the menu, the menu also includes **tasty vegetarian recipes**.
