Here you can find the [menu](#) of lbs. restaurant in Toronto. At the moment, there are **335** menus and drinks on the food list. You can inquire about **changing offers** via phone. What [Coty Grimes](#) likes about lbs. restaurant: I am so in love with this place - from the location, the name, design, atmosphere, service and the quality of food! It was so delicious and I've been dying to go back. I went here with my coworker's for a going away lunch and we were sitting at the nice larger table at the back, private and perfect for us. We were immediately seated, assisted with our coats, served with waters and then recommended lobster specials. W... [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and eat and drink. WiFi is available at no extra cost. What [Lolita Prosacco](#) doesn't like about lbs. restaurant:

I came here with some friends to sample the Summerlicious menu. The restaurant is really nice inside and offers tables by the bar, inside and outside in an indoor patio of sorts. I'm not a seafood eater so I had the zucchini salad to start, the fried chicken and cruller donut for dessert. All in all, everything was okay. I wasn't impressed. The salad was alright. The fried chicken had an overpowering mustard flavour... [read more](#). For those who want to have a drink after work and sit with friends or alone, lbs. restaurant from Toronto is a good bar, Naturally, you should also taste the *scrumptious burgers*, accompanied by sides like fries, salads, or wedges offered. Also, they proffer you fine seafood dishes, The typical Canadian dishes are well received by the visitors of the establishment.
