Wow! There are lots of really fabulous dishes on Laredo's separate vegan menu. How do I know this? I tried them all! I went with a group and we decided to order everything on the vegan menu to share. See my photos for more. Updated from previous review on 2022-05-15 [read more](#). When the weather is good you can also eat and drink outside, And into the accessible spaces also come customers with wheelchairs or physiological disabilities.

What [Titus Gorczany](#) doesn't like about Laredo DC [Mexican](#) Restaurant:

Horrendously overpriced went for a casual [Mexican](#) dinner (I got a set of three hard shell tacos and the other person got a combination of 3 plates and ended up paying \$100. So so overpriced for such average [Mexican](#) food. Was a huge disappointment save your money and skip it! [read more](#). If you're hungry for some tasty South American culinary arts, this is the place to be: exquisite dishes, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, and you can indulge in fine American menus like Burger or Barbecue. The visitors also appreciate the versatile, scrumptious [Mexican](#) cuisine, whose traditional dishes are prepared with corn, beans and spicy chilies, here they serve a diverse brunch in the morning.
