The restaurant from Austin offers **71** different *menus and drinks* on [the menu](#) at an average \$8.1. What [Bart Wilderman](#) likes about Kuneho:

We stumbled upon this restaurant and left already planning our next dinner there! The service was great- we sat at the [sushi](#) bar and did a Chef's Choice menu and it was interesting, delicious and unexpected. We really enjoyed their nigiri pieces and the Roti rabbit curry was a standout. Definitely look forward to coming back and exploring the menu even more! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and have something. What [Myrtis Gerlach](#) doesn't like about Kuneho:

With a great location, beautiful interior and a fickle menu, we first had high expectations in this place. The meal was however very moderate, flavors were weak, portions minute and it was very difficult to get drinks and wine served. The last tab was over \$200 sober. Decrease the food as a whole. In the Kuneho from Austin, using a lot of fresh vegetables, fish and meat, easy-to-digest, tasty Japanese dishes are prepared, Also, you shouldn't miss out on the crispy and crunchy [pizza](#), original freshly baked in a wood oven. Undoubtedly, the highlight of this restaurant is the tasty [Sushi](#) such as **Nigiri and Inside-Out**, The customers of the establishment also consider the large selection of various [coffee and tea specialities](#) that the establishment offers.
