What [Frederic DuBuque](#) likes about Jatoba:

Repas coûteux mais qui valait chaque dollars. Le Riz au canard est un délice pour les papilles. J'ai essayé plusieurs bons restaurants à Montréal et définitivement un des meilleurs. Belle ambiance sur la terrasse et service attentionné. Je le recommande sans hésitation [read more](#). When the weather conditions is good you can also be served outside, and there is free WLAN. What [Beulah Von](#) doesn't like about Jatoba:

Montreal has one of the highest count of restaurants per capita count in North America. This restaurant holds their nose to their very clients. From the hostess up front, the waitresses and even the bust-boys. Avoid at all costs. [read more](#). If you're looking for more variety than just eating and drinking, you'll find it in this *sports bar*.

Enjoy small snacks and dishes and watch live football, tennis or Formula 1 games, and it's made with lots of fresh vegetables, fish and meat, healthy Japanese meals cooked. But the undisputed highlight of this place is the tasty [Sushi](#) such as **Nigiri and Inside-Out**, The successful fusion of different dishes with fresh and occasionally daring ingredients is highly valued by the customers - a nice example of Asian Fusion.
