We had a Canadian cousin come to town and she was staying at Indigo Hotel so we met at En Fuego since it was so close. We were concerned since the seating is mainly outdoors but it was perfect! The heater put out so much heat I took my jacket off. The chips and guacamole are so good to start with. Everything everyone ordered loved their food! Burritos, tacos, steak salad, enchiladas. We had the best customer service!... [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and be served. What [Jeremie Morar](#) doesn't like about En Fuego Cantina and Grill:

Love this place! But so bummed. Went last night with friends, ordered drinks and food. Waited for 2 1/2 hours and never received food. Gave up and went to another restaurant. Don't know what happened, but other tables also never received or waited forever to get there food. [read more](#). Want to spice up your eating and drinking routine? Come to this *sports bar* and enjoy a variety of large and small snacks and dishes while watching live football, tennis or Formula 1 games, because just eating and drinking is too boring!, You shouldn't miss the opportunity to try the delicate pizza, baked fresh in an original manner. If you'd like something after-dinner treat for dessert, En Fuego Cantina and Grill does not disappoint with its extensive **selection of desserts**, Many customers are also particularly looking forward to the **diverse, delicious Mexican cuisine**.
