we had a great time and the food was great! They told us they didn't recognize open table reservations anymore. they had plenty of space for outside group. I hope I have my food points, even if they don't fail. Thank you. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and be served. What [Myrna Roob](#) doesn't like about Drix Restaurant & Lounge:

Booked for mother's day brunch and unfortunately it started with my son H finding a 1 ft long hair in his food and just went downhill from there. The buffet table was filthy with food all over it. The food choices left much to be desired for the price. We ended up leaving after about 15 mins. Very disappointing end to mother's day brunch. [read more](#). If you're desiring some spicy South American gastronomy, you're in the right place: delicious menus, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. You can also look forward to **scrumptious [vegetarian](#) cuisine**, Forbreakfast a **delicious brunch** is offered here.
