The place from [Astoria](#) offers 139 different **dishes and drinks on [the menu](#)** at an average price of \$9.9. What [Jan Schinner](#) likes about District Mot:

So good. So so good! The vegan pho was killer. So hard to find decent [vegetarian](#) pho and this was just ridiculously good. Service was also amazing. The mango summer rolls were delicious! Our waitress was friendly and helpful. We almost wanted her to join! And the other staff helping to serve and clean up were just as lovely. AMAZING! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical

limitations. What [Tabitha Goldner](#) doesn't like about District Mot:

Terrible experience. Was lied to about the entire evening. Didn't honor Open Table reservation. Said they "don't have an iPad". Should be able taken off OT. I have never had an experience like this. Will never go again. Would avoid any all costs! [read more](#). During meals, a refreshing drink is essential. In this *gastropub*, you will find not only flavorful menus, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, there are also tasty [vegetarian](#) dishes on the menu. It's precisely the freshness and lightness together with the original Vietnamese spices that not only brings delicious menus to the plate, but also puts the visitors into a pleasant holiday feeling for a short time, It's possible to chill out at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks.
