The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and eat and drink. What [Lexi Buckridge](#) doesn't like about C.W.S. Bar + Kitchen:

Bar + Kitchen in Lake Worth, **tasty, juicy, delicious barbecue is freshly grilled** on an open flame and served with fine sides, and you can enjoy here scrumptious American dishes like Burger or Barbecue. Following various sports events and competitions is equally one of the highlights of visiting this *sports bar*, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
