The restaurant from New York offers *164* different dishes and drinks on [the menu](#) at an average \$19.9. What [Darimin Salahudin](#) likes about PJ Moran's Pub & Restaurant:

We had late lunch at this place. Everyone liked their food and the portions were good size so we took home some leftovers. The food was great and the servers were friendly. We will definitely go there again. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and eat and drink. What [Lâm Sử](#) doesn't like about PJ Moran's Pub & Restaurant:

Day after the St Patrick's parade...tried to order breakfast, they were out. Shepherd's pie no, out. Stew was delicious, but portion was quite small; bangers were tiny and tasteless, serving of mash was generous and creamy; fish and chips were ample and tasty. So many choices in NY we will try elsewhere next visit. [read more](#). Just eating and drinking is too boring for you? Then a visit to this **sports bar** is just right: in addition to large and small snacks and meals you can watch the latest football matches, tennis or Formula 1, In the morning they serve a **extensive breakfast** here. Most often, the burgers of this restaurant, which are among the highlights, are offered along with filling side dishes like french fries, leaf and cabbage salads or wedges, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide selection of beers from the region and the whole world.
