The place from PROVINCETOWN offers 158 different dishes and drinks on [the card](#) at an average \$14.8. What [Ladarius Flatley](#) likes about Saki:

Fantastic as always. A serious shoutout to Travis, our server who we deem the most exemplary server in Provincetown. Food and drinks were delish as always, sans, a little shy on fish in the sashimi combo. We still love it though! [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and eat and drink.

What [JessicaT](#) doesn't like about Saki:

During Covid we did takeout and I've never been so disappointed. For a \$15 roll I thought it would be something amazing but was just a lot of rice. Also no one answers the phone so you can't even order ahead. Would not recommend [read more](#). With tasty menus, Saki from [PROVINCETOWN](#) delights, enriched with the known spices and (fish-)sauces of the **Thai cuisine** and a bunch of fresh vegetables, [seafood](#) and meat, You can also unwind at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. In this restaurant there is also an extensive selection of *coffee and tea specialties* not to forget, Besides, the creative blend of different menus with new and partially adventurous ingredients is appreciated by the guests - a good case of Asian Fusion.
