What [Benjamin Labadie](#) likes about Rok:Brgr: The waiter was very nice and attentive. Great cocktails. Good place to people watch along with the sounds of the city (sitting outside) I would go again if in DC. [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious menus from the menu but also a comprehensive and particularly good selection of **good beers and other alcoholic beverages** that go well with the food, It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Furthermore, you'll find delicious American dishes, like for instance burgers and grilled meat on the menu, Of course, you also have to try the *scrumptious burgers*, that come with sides like fries, salads, or wedges offered.
