The Card of Pen & Quill from Baltimore includes about **109** different menus and drinks. On average, you pay for a dish / drink about \$6.3. What [Kira Voit](#) likes about Pen & Quill:

LOVE this place! It's our go-to as we live in walking distance. Favorites: drinks, cheese plate, deviled eggs, THE CHICKEN SANDWICH, honestly everything we've had there has been good! And the decor/ambiance is wonderful for almost any occasion. Anywhere that you're seated is comfortable whether it's a booth or a table. And the service is always great! [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and be served. What [Christelle Towne](#) doesn't like about Pen & Quill:

I have loved this restaurant any other time I've gone, but, for downtown dining, the food was outright terrible. All three of us HATED the food, and it's unfortunate that I place I've highly regarded in the past could serve such horrendous food. Extremely disappointing and a giant waste of money and time. Furthermore, they proffer you tasty seafood dishes. Additionally, of course, the atmosphere plays a big role, so the visitors appreciate not only the tasty meals, but also *the bistro* itself appreciate.
