The place from Palm Springs offers 105 different **dishes and drinks on [the menu](#)** at an average \$17.7. What [Jaron Casper](#) likes about Peaks Restaurant:

We love the visiting Palm Springs and the gondola and having lunch up there with that beautiful view and a really good delicious creative menu fabulous weight staff socially distance. [read more](#). In pleasant weather you can even eat and drink in the outdoor area, And into the accessible rooms also come guests with wheelchairs or physical disabilities. What [שלמי ברוידא](#) doesn't like about Peaks Restaurant:

Ask for ahi tuna, they didn't have it. That knocked out about 1/3 of the menu. Ordered mussels + clams. Clams were undercooked and didn't even open. Mussels were empties for about half of them. Waitress was new and apologetic, I hope she finds a new job [read more](#). A selection of **fine seafood meals** is served by the Peaks Restaurant from Palm Springs, Also, you shouldn't miss out on the crispy and crunchy pizza, original freshly baked in a wood oven. Of course, we must not forget the comprehensive diversity of *coffee and tea specialties* in this locale, and you can indulge in delicious American menus like [Burger](#) or [Barbecue](#).
